

Information Management Framework - Governing Policy

1. Purpose of policy

This policy establishes the framework for information management within the University. It outlines principles for effective data, information and records management throughout the information lifecycle, and the related authorities and responsibilities of staff.

2. Policy scope and application

This policy applies to all staff, consultants and/or contractors, and advisory boards working for or on behalf of the University.

3. Definitions

Please refer to the University's Glossary of Terms for policies and procedures.

4. Policy Statement

The University of the Sunshine Coast is committed to a culture of managing data, information and records as valuable corporate assets which are created, used and shared effectively to advance the University's strategic priorities.

5. Principles

5.1 The University's data, information and records management processes reflect best practice standards and comply with relevant legislation and regulatory requirements.

5.2 The University's approach to data and information access is one of openness and transparency in carrying out its functions.

5.3 The University is committed to the responsible collection, retention and handling of personal and sensitive data and information.

5.4 The University demonstrates a commitment to maintaining a robust information security environment.

5.5 The University manages all information assets in a manner that enables accountability and return of value.

5.6 University data and information management roles and responsibilities are clearly defined.

6. Authorities

The following authorities are delegated under this policy:

UNIVERSITY OFFICER/S

ACTIVITY

Vice-Chancellor and President

'Principal Officer' in relation to Right to Information Act 2009 (Qld) and Information Privacy Act 2009 (Qld), responsible for the University's obligations under these acts. The Vice-Chancellor has delegated this authority to the Deputy Vice-Chancellor (Academic) and RTI and Privacy Officer.

In relation to Public Records Act 2002 (Qld), responsible for the University's records management. The Vice-Chancellor has delegated responsibility for the operational planning and running of information and records management to the Director, Information Services.
